Our Offer

We are prepared to provide you for one week, Monday to Friday, with a full day meals. Our staff will come, at an agreed time, set up a buffet style table with all the necessary cutlery and sauces to provide the ideal lunch experience. We do this with all of our clients to help you better evaluate our service and food.

Dashti Sanat Logistics Ltd is well known in the area for providing creative and delicious meals for special clients. We offer a variety of menus.

- Dashti Sanat Logistics Ltd has planned, prepared, and executed the buffet section for Ankawa Palace Hotel, located in Ankawa, Erbil, at the end of 2 Side Street.

We have used our past experience and introduced the western standards to the local market. Our goal was to set up the first and the best buffet in Ankawa. The Ankawa Palace Restaurant has thrived and became an icon for other hotels and restaurants to follow.

The Plan:

Understand the client's needs and requirements

Determine the target customers

Determine the menu based on the customers

Determine the best source to purchase the items to prepare the menu

Hire the appropriate staff to execute the menu

Hire the appropriate staff to serve and present the food
